TIMELINE OF YOUR NON-COMPLIANCE

Your organisation has had multiple opportunities to comply with my Subject Access Request:

[ORIGINAL_SAR_DATE] - Subject Access Request submitted pursuant to Article 15 UK GDPR and Section 45 Data Protection Act 2018, specifically requesting biometric data and facial recognition processing information.

Statutory deadline expired - You failed to respond within the one-month statutory period required by UK GDPR Article 12(3).

[14_DAY_REMINDER_DATE] - 14-day reminder issued, providing further opportunity to comply.

[DATE] - This final 7-day notice issued due to your continued failure to respond.

Your persistent non-compliance leaves me no alternative but to pursue legal remedies.

SEVEN DAY COMPLIANCE PERIOD

You have exactly 7 days from receipt of this letter to provide a full response to my Subject Access Request.

If you fail to respond within this period, I will immediately proceed with legal action without any further notice or opportunity to comply.

LEGAL PROCEEDINGS TO BE INITIATED

Compensation for distress: £1,000.00

TOTAL AMOUNT CLAIMED: £1,070.00

Additionally, I will seek:

- Recovery of all legal costs and expenses
- Statutory interest on the judgment
- An order compelling you to comply with my Subject Access Request

2. FORMAL COMPLAINT TO ICO

3. REQUEST FOR COURT ORDERS

Through the court, I will seek:

- A mandatory order requiring compliance with my Subject Access Request

BASIS FOR COMPENSATION CLAIM

Your persistent breach has caused me considerable distress:

- Anxiety regarding the processing and potential misuse of my sensitive biometric data
- Concern about unauthorised access to or sharing of my facial recognition data
- Distress about lack of transparency in your data protection practices
- Significant time and effort expended pursuing my basic legal rights
- Mental distress caused by your organisation's apparent disregard for data protection law
- Loss of confidence in your ability to handle personal data responsibly

LEGAL ENTITLEMENT TO COMPENSATION
